## CONSULTANCY & ADVISORY BOARD

Rat auf Draht and Saferinternet.at advise children, young people, parents and educators free of charge on questions relating to the safe use of digital media.

The advisory board supports and advises the Saferinternet.at initiative. The regular advisory board meetings serve to exchange information and network with other projects. Without the commitment of our partners, the work of Saferinternet.at would not be possible.

Internet Service Providers Austria

The Saferinternet.at initiative is financed on behalf of the European Commission as part of the Digital Europe Programme and with funds from the Austrian Research Promotion Agency (FFG).

It is coordinated by the Austrian Institute for Applied Telecommunications (ÖIAT) in co-operation with the Association of Internet Service Providers Austria (ISPA).

Saferinternet.at forms the 'Safer Internet Centre Austria' together with Stoptline (Report centre against child sexual abuse material & endorsement of National Socialist ideology on the internet) and Rat auf Draht (emergency call centre for children and young people).
